REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: the instant claimed apparatus and methods for gasifying a liquid or solid fuel to produce a thermal decomposed gas by means of a thermal decomposition reaction of the liquid or solid fuel comprising heating means and method for heating water or low-temperature steam and low-temperature air so as to be high-temperature steam and high-temperature air which have a temperature equal to or higher than 700 deg. C and feeding means and method for feeding the high-temperature steam and the high-temperature air to a thermal decomposition area for thermally decomposing the liquid or solid fuel and/or a reforming area for reforming the thermal decomposed gas is not described in the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Samuel M Heinrich whose telephone number is 571-272-1175. The examiner can normally be reached on M-F.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Thomas G Dunn can be reached on 571-272-1171. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
